PRIVACY STATEMENT

Advanced SoC Research for Automotive (**自動車用先端 SoC 技術研究組合**) (hereinafter '**ASRA**'), 2-14-1 Nagono, Nishi-ku, Nagoya, 451-0042, Japan, is the controller responsible for the processing of your personal data as described in this privacy statement.

This document contains information about how ASRA processes your personal data when providing the requirement specification document for SoC chiplets for automotive, jointly developed by imec and ASRA (the "**Document**"), and when gathering and following up on your feedback on this Document.

We value your privacy and process your personal data in accordance with applicable privacy legislation. For more information about how we handle your personal data or any questions regarding this privacy statement, you can contact **asracip_info@asra.jp** or find our privacy policy here.

What personal data and why?

We collect your personal data, including your name, contact information and professional information for the following purposes:

- To provide you with the service, namely, to send the requested Document and follow up with new developments and/or relevant information.
- To gather, analyse and follow up on your feedback on the Document you downloaded.
- To send communications about ASRA breakthroughs and developments, events, white papers, webinars, etc., including those relating to ASRA's collaboration with its partners such as imec, which we think are relevant to your interests.
- To contact you regarding potential interesting business opportunities.

With whom do we share your personal data?

We may share your personal data with certain third parties, including business operators that are members of ASRA, certain standardization bodies, scientific or business partners of ASRA.

Storage and retention

ASRA has appropriate technical and organizational measures in place which are incorporated in security policies to keep your data safe.

Your personal data will be kept for as long as it is reasonably necessary for the purposes for which we are collecting your personal data.

Your rights

You can access, rectify or ask to delete your data that ASRA has collected as prescribed by the applicable privacy legislation. Simply send an email to**asracip_info@asra.jp** to exercise your rights.

Contact

You can always send any questions and/or comments you may have to us via the following e-mail address: **asracip_info@asra.jp**.

You can find more information about how ASRA handles your personal data here.
