PRIVACY STATEMENT

Interuniversitair Micro-Electronica Centrum vzw (hereinafter 'IMEC'), Kapeldreef 75, 3001 Leuven, Belgium, is the controller responsible for the processing of your personal data as described in this privacy statement.

This document contains information about how IMEC processes your personal data when providing the requirement specification document for SoC chiplets for automotive, jointly developed by IMEC and ASRA (the "**Document**"), and when gathering and following up on your feedback on this Document.

We value your privacy and process your personal information in accordance with the GDPR and other applicable privacy legislation. For more information about how we handle your personal data or any questions regarding this privacy statement, you can contact privacy@imec.be or find our company privacy statement here.

What personal data and why?
We collect your personal data, including your name, contact information and professional information for the following purposes:

- To provide you with the service, namely, to send the requested Document and follow up with new developments and/or relevant information.
- To gather, analyse and follow up on your feedback on the Document you downloaded.
- To send communications about IMEC breakthroughs and developments, events, white papers, webinars, etc., including those relating to IMEC's collaboration with its partners such as ASRA, which we think are relevant to your interests.
- To contact you regarding potential interesting business opportunities.

With whom do we share your personal data?
We may share your personal data with certain third parties, including certain standardization bodies, scientific or business partners of IMEC.

Storage and retention
IMEC has appropriate technical and organizational measures in place which are incorporated in security policies to keep your data safe.

Your personal data will be kept for as long as it is reasonably necessary for the purposes for which we are collecting your personal data.

Your rights
You can access, rectify or ask to delete your data that imec has collected as prescribed by the GDPR. Simply send an email to privacy@imec.be to exercise your rights.
